

D-OX-it

Clásico

D-OX-IT

It is a low-toxicity metal rust remover that removes rust from stainless steel, leaving it looking like new.

- ✓ Even gel coat and rust-stained paint will be left completely free of any trace.
- ✓ Biodegradable

Description:

Pre-clean the surface to be treated to remove grease and residue.

Rust: Apply neat with a brush, sponge, or spray gun. Leave for 10 minutes and rinse with water.

Limescale and scale: Dilute 5-15% in water (preferably hot). Leave for 15-60 minutes and rinse. Ideal for boats, decks, engines, pipes, boilers, and tanks.

Note:

Available size: 1L

Translucent pink color.

- We believe the environment is our most valuable asset, and we must take personal responsibility for how we impact it.
- We develop products with outstanding quality and performance, meeting the highest environmental regulatory standards worldwide.
- Bestial Soaps have demonstrated that an environmentally responsible approach to cleaning chemical development does not compromise performance or value for money.
- Our products are manufactured in Spain, ensuring a reduced carbon footprint through local sourcing.

All our products comply with European sustainability and biodegradability regulations, as well as: MARPOL Annex 24 / Resolution MEPC.219(63) (adopted March 2, 2012)

- NPDES compliant
- EC Regulation No. 648/2004 compliant
- REACH compliant
- Excellent aquatic toxicity profile
- VOC-free

Warning: Use of this product outside its recommended applications is not advised (see product label).
