

RIB cleaner

RIB CLEANER

Is an inflatable boat cleaner, specifically designed to restore tubes to their original clean condition.

- ✓ Suitable for PVC and neoprene hypalon.
- ✓ Removes even the most stubborn dirt, bird deposits, and soot.

Description: Wet the inflatable tubes with water. Pour RIB CLEANER onto a sponge or mitt and clean 1/4 of the tube at a time. Rinse thoroughly with water.

Note: This product is not recommended for fiberglass (gel coat) as it may remove the surface wax.

Available sizes: 1L / 5L

Translucent caramel/orange color

- *We believe the environment is our most valuable asset, and we must take personal responsibility for how we impact it.*
- *We develop products with outstanding quality and performance, meeting the highest environmental regulatory standards worldwide.*
- *Bestial Soaps have demonstrated that an environmentally responsible approach to cleaning chemical development does not compromise performance or value for money.*
- *Our products are manufactured in Spain, ensuring a reduced carbon footprint through local sourcing.*

All our products comply with European sustainability and biodegradability regulations, as well as: MARPOL Annex 24 / Resolution MEPC.219(63) (adopted March 2, 2012)

- NPDES compliant
- EC Regulation No. 648/2004 compliant
- REACH compliant
