

Teak cleaner 1

TEAK CLEANER 1

TEAK Cleaner for oily woods such as teak.

- ✓ Ultra-concentrated formula.
- ✓ Delivers superior results where others fail.

Directions:

Heavily soiled teak:

STEP 1: Dilute TEAK CLEANER 1 in a bucket of water at a ratio of 5 parts water to 1 part product. Wet the teak thoroughly with water, apply the mixture with a brush, covering areas of approximately 1 m², and scrub.

Rinse thoroughly with water. Repeat the process for 1 m² to finish cleaning the entire area.

STEP 2: Use TEAK RENOVATOR 2 to restore the wood's natural tone. (See product label)

Regularly maintained teak:

It is recommended to use TEAK CLEANER 1 at a ratio of 10 to 15 parts water to 1 part product.

Thoroughly wet the teak with water, apply the mixture with a brush, covering areas of approximately 1 m², and scrub.

Rinse thoroughly with water. Repeat the process for 1 m² at a time to complete the entire cleaning area.

Note: Avoid prolonged contact with paint, gelcoat, aluminium or metal surfaces.

Protect if necessary

Removes deep stains from wood.

Available sizes: 1L / 5L - **Color:** Dark blue

- We believe the environment is our most valuable asset, and we must take personal responsibility for how we impact it.
- We develop products with outstanding quality and performance, meeting the highest environmental regulatory standards worldwide.
- Bestial Soaps have demonstrated that an environmentally responsible approach to cleaning chemical development does not compromise performance or value for money.
- Our products are manufactured in Spain, ensuring a reduced carbon footprint through local sourcing.

All our products comply with European sustainability and biodegradability regulations, as well as: MARPOL Annex 24 / Resolution MEPC.219(63) (adopted March 2, 2012)

- NPDES compliant
- EC Regulation No. 648/2004 compliant
- REACH compliant
- Excellent aquatic toxicity profile
- VOC-free

Warning: Use of this product outside its recommended applications is not advised (see product label).
