

THE PURPLE WASH

PURPLE WASH

Wax-free wash shampoo for painted or lacquered surfaces (Awlgrip, Alexseal, DuPont, etc.).

- ✓ Cleans effectively without damage while enhancing gloss.
- ✓ Free from added fragrances and preservatives.
- ✓ pH: Neutral (7.5)

Directions:

Dilute approximately 50ml of PURPLE WASH per bucket of water (approx. 8L). Dampen the area to be cleaned. Submerge a sponge or cloth/brush in the bucket with the premixed solution. Rub the surface and rinse thoroughly with water.

Note:

Reduces water spotting during drying.

Available sizes: 1L / 5L - **Color:** Violet
Consistency: Dense liquid

- *We believe the environment is our most valuable asset, and we must take personal responsibility for how we impact it.*
- *We develop products with outstanding quality and performance, meeting the highest environmental regulatory standards worldwide.*
- *Bestial Soaps have demonstrated that an environmentally responsible approach to cleaning chemical development does not compromise performance or value for money.*
- *Our products are manufactured in Spain, ensuring a reduced carbon footprint through local sourcing.*
