

Vinagra

VINAGRA

Acetic solution designed to remove water spots.

- ✓ High active content for fast performance.

Directions:

Mix VINAGRA in a bucket of water (approx. 8L) or spray bottle at a ratio of 2 parts water to 1 part product and apply with a cloth or sponge.

For hard water stains on the exterior: After cleaning the area to be treated, apply a mixture of 100ml of VINAGRA per bucket of water with a cloth.

Note:

Effective on ceramics, stainless steel, glass, shower screens, etc.
Test on an inconspicuous area first.

Available sizes: 5L

Color: Transparent

- *We believe the environment is our most valuable asset, and we must take personal responsibility for how we impact it.*
- *We develop products with outstanding quality and performance, meeting the highest environmental regulatory standards worldwide.*
- *Bestial Soaps have demonstrated that an environmentally responsible approach to cleaning chemical development does not compromise performance or value for money.*
- *Our products are manufactured in Spain, ensuring a reduced carbon footprint through local sourcing.*
